Distribution of individual marks

The following chart depicts the distribution of marks obtained by all students. Your mark sits within the yellow bin.

Thing done well by the team

The team has been preparing for a public Beta release Friday 23Sep (about 80 users). Proceeding well through iACT.

Things the team needs to do or improve

I look forward to early results from the Beta. Let me know if you still want a banner printed.

Tutor feedback specifically for you

None

Peer Feedback

The following paragraphs show the feedback your peers providing for you.

[1] Always a pleasure to work with, smart and well driven.

[2] Emmanuel best coder AU. Basically carried all of the tasks.
